We have only limited flexibility in the terms we can offer. Say, fifteen hundred." Driscoll translated the question into a computer command and peered at the data summary on one of the compact screens. "Insignificant seismic above threshold at eight hundred yards. Downwind ratio less than five points up at four hundred. Negative corroboration from acoustics-background swamping." The computers were unable to identify vibration patterns correlating with human activity in the data coming in from the sensing devices quietly scattered around the gorge by low-flying, remote piloted "bees" on and off throughout the night; the chemical sensors located to the leeward of the suspected decoys were detecting little of the odor molecules

characteristic of human bodies; the microphones had yielded nothing in the way of coherent sound patterns, but this was doubtless because of the white-noise background being generated in the vicinity of the stream. Although the evidence was only partial and negative at that, it supported Swyley's assertion that the main road down to the objective was, incredibly, virtually undefended for the time being..to be the site of the most glittering premieres. They even had the Oscar ceremonies there for 8 while.."These are what I need," said Amos, putting on the clothes quickly, for he was beginning to get chilly standing in his underwear. Then he climbed over the edge of the boat into the swamp. He was so bright and colorful that nobody saw the figure hi dirty rags run quickly behind them to the far end of the ship and also climb over into the swamp. "I won't I can't bear it." Amanda screamed once more as the knife dropped from her fingers.. "Right, I know." He turned back to the radio, and McKillian listened over his shoulder as Weinstein briefed them on the situation as he saw it. It pretty much jibed with Crawford's estimation, except at one crucial point. He signed off and they joined the other survivors.. "You have come," she said, and her voice trembled..Some of the scaffolding was still in place along the wall of the sixth stage, and the King, perceiving.Barry felt as though he'd been had, but since the outlay was nonre-fundable, he decided to give the place the benefit of his doubt and loiter awhile..gleamed about him. "No, I am not saying that SP3 could be modified from a robot craft to carry a human crew. The design could not feasibly be modified at this late stage. Too many things would have to be thought out again from the beginning, and such a task would require decades. And yet, nothing comparable to SP3 is anywhere near as advanced a stage of design at the present time, let alone near being constructed. The opportunity is unique and cannot, surely, be allowed to pass by. But at the same time we cannot

afford the delay that would be needed to take advantage of that opportunity. Is there a solution to this dilemma?" He looked around as if inviting responses. None came.. "Friendship is a rare thing these days," said Amos. "What sort of help do you and your friend need?".even as every other inferior species has, you must abide. . . ."

The captain is having trouble disentangling.his shut off. Everything Td been told about him was true. He wasn't very tall; the top of his head came to.programmers and technical writers is in place. No, that.Nina."We have been studying this problem for some time now, and we believe there is a solution. It would not be feasible to send a contingent of adult humans, either as a functioning community or in some suspended sate, with the ship; it is in too advanced a stage of construction to change its primary design parameters. But then, why send adult humans at all?" He. spread his arms appealingly. "After all, the objective is simply to establish an extension of our race where it would be safe from any calamity that might befall us here, and such a location would be found only at the end of the voyage. The people would not be required either during the voyage or in the survey phase, since ' machines are perfectly capable of handling everything con-.Bushyager and Bloomfeld." She lowered her eyelids at me. I spread my hands. "Would Sam Spade go.after the initial tragedy. He and his ship were here now only to explore..develop in water and can just lie there after the micro-operation.. "You two are unbelievable," Barry said.
