Agnes wanted to tell them that all their efforts would be to no avail, that they should cease and desist, be kind and let her go. She had no reason to stay here anymore. She was moving on to be with her dead husband and her dead baby, moving on to a place where there was no pain, where no one was as poor as.They could not have been more solemn or more respectful if Naomi's corpse--stitched back together, pumped full of embalming fluid, painted with pancake makeup, dressed in white, with her cold hands clasping a Bible to her breast-had been reposing in a casket in this very room, surrounded by flowers and awaiting the arrival of mourners. They were all polite, soft-spoken, sad-eyed, oozing unctuous concern--and so full of feverish calculation that Junior wouldn't have been surprised if they had set off the ceiling-mounted fire sprinklers..He was wrong about this. On the final Friday of every month, in sunshine and in rain, Junior routinely took a walking tour of the six galleries that were his very favorites, browsing leisurely in each and chatting up the galerieurs, with a one-o'clock break for lunch at the St. Francis Hotel. This was a tradition with him, and invariably at the end of each such day, he felt wonderfully cozy..Because his pinching fingers deformed the shape of her mouth, her voice was compressed: "I see

all the ways you are." Scowling, Joey stared at the floor in puzzlement, shifted his weight from one foot to the other, sighed, turned his attention to the ceiling, and shifted his weight again, for all the world like a trained bear that couldn't quite remember how to perform its next trick. The machine, one in a bank of four, wasn't filled with ordinary newspapers, which cost only a dime, but with a raunchy tabloid aimed at heterosexual swingers. By the grace of Caesar Zedd and Remy Martin, Junior eventually slipped into undulant currents of sleep, and as he drifted away on those velvet tides, he took some solace from the thought that come what may, December 29 would be a better day than December 28. "Why do you think he's spending his money for all this tricky stuff?" Kathleen wondered, not for the first time. Cops at the doorstep, the lunatic bitch with the chair, the clergyman's curse—all this amounted to more than even a committed man could handle. Get out of the present, go for the future. Junior blinked and dared not speak, because he didn't know any Bartholomew, and now he was certain the cop was weaving an elaborate web of deceit, setting a trap. Why would he have spoken a name that meant nothing to him? "Well, actually, I owe Phimie. It's what she said between her two deaths on the delivery table that's changed my life." The barren white walls, the stark furniture starkly arranged, the rigorous exclusion of bric-a-brac and mementos: this resulted in the closest thing to a true monastic cell to be found outside of a monastery. The only quality of the apartment that identified it as a secular residence was its comfortable size, and if Industrial Woman had been replaced with a crucifix, even size might have been insufficient to rule out residence by some fortunate friar. The glittering room appeared unchanged. Even the piano player seemed to be the man who'd been at the keyboard back then, though his yellow-rose boutonniere and probably his tuxedo, as well, were new. Junior put the money on the desk. "Then get into the records of Family Services." At Thanksgiving dinner, again at the three tables set end to end, in the year of the triple zero, Mary Lampion, now fourteen years old, made an interesting announcement over the pumpkin pie. In her travels where none but she could go, after seven fascinating years of exploring a fraction of all the infinite worlds, she said she sensed beyond doubt that, as Barty's mother had told him on her deathbed, there is one special place beyond all the ways things are, one shining place. Piano music drifted into the restaurant from the adjacent bar, so soft and yet sprightly that it made the clink of silverware seem like music, too. Drawing from a well of inspiration deeper than instinct, Junior knew that if ever he crossed paths with a man named Bartholomew, he must be prepared to deal with him as aggressively as he had dealt with Naomi. And without delay. This colored person's grave, however, was uphill of Naomi's. Over time, as the body decomposed up there, its juices would mix with the soil. When rain saturated the ground, subsurface drainage would carry those juices steadily downslope, until they seeped into Naomi's grave 'let mingled with her remains. This seemed highly inappropriate to Junior. He didn't allow himself to ponder why Vanadium had come here or what relationship might have existed between the cop and Victoria. All that was for later consideration, after he had dealt with this unholy mess. Professional magic was not a field in which many Negroes could find their way to success. Obadiah was one of a rare brotherhood. Instead, he focused on the hand in the flashlight beam: four long, thin, chalk-white digits bent to the heel; thumb thrust up stiffly, as though Neddy hoped to hitchhike out of the Dumpster, out of death, and back to his piano in the cocktail lounge on Nob Hill.
