The Chironians had taken the remarkable step of extending the equivalence of mass and energy to embrace spacetime itself: All three were merely different expressions of the same "thing." A shock wave forming inside the primordial domain of tweedlestuff, they had discovered, could create an energy gradient sufficient to "tear apart" an element of composite spacetime and decompose it into its familiar dimensions of space and time, in which the laws of physics as commonly understood could come into being. Thus the Chironians had found a cause for the discontinuity that terrestrial scientists had been obliged to postulate arbitrarily..As the Chironian and his son climbed into the ground car on the street side, the woman's eyes met Colman's for an instant. There was no malice in them. "I know," she said through the window. "You've got a job that you have to do for a little while longer. Don't worry about it. We can use the vacation We'll be back." Colman managed the shadow of a grin. Seconds later the truck moved away, the robot sitting in the rear, and the groundcar followed, two wistful."That's a severe angle," Mrs. Sharmer said.
