Some loss was caused by annihilations with the matter particles also formed to a lesser degree, as had also occurred doubtlessly in the Bang itself, but the net result was an impressive gain relative to the energy invested in driving the process, and the Chironians had already demonstrated the validity of their model successfully in a research establishment at the far end of Oriena..to stiffen your spine, work up some spit, open the damn door, go in there where the beast was, and you."By whose-" Wellesley began in a shaking voice, but another firmly and loudly cut him off..of the time, or at least when medicated, which was in fact most of the time.
